Can customers program or change thier own Beacons/Campaigns?

Support Admin - 2018-03-23 - 0 Comments - in Answered Questions

1. [Will the units be programmable by the customer or by the Beacon Pro 360?](#)
2. [What do they do if they want to advertise a weekly special?](#)
3. [Have the ability to change campaign becuase specific product ran out/no longer available thus avoiding to tell customer they are out.](#)

ANSWER:

Customers will have access to their custom mobile app and the ability to change thier campaigns/info at any time.
